

## High Life

Our high school youth ministry meets Wednesday nights from 8:00 – 9:30. We begin with some snacks and catching up with our friends (and friends are always welcome). Sometimes we have a time of worship, sometimes we play a game, but we always have some relevant and engaging teaching. We split into small groups to dig in and discuss how Jesus Christ wants to challenge and transform our lives, then close with some announcements about what's coming up.

## BURST

Our junior high youth ministry meets Wednesday nights from 6:00 – 7:30. We begin with some games and snacks and catching up with our friends (and friends are always welcome). Then we move into a time of some relevant and engaging teaching. We split into small groups to discuss how the Bible relates to our lives, then close with some announcements about what's coming up.
